**STORY**

Simply Challenging. You have 4 shapes on your card and you try to match as many of them with the shapes and patterns on the table. Each card has a value. You receive that many points for each shape you match. If you can match all 4 you get double points.

--MATCH 4 AND WIN! --

**COMPONENTS**

- 118 Cards
- 1 Score Pad
- 1 Pencil

Find the patterns that match your cards.

The more you match the more you score.

If you Match all 4 shapes you get x2 points
